Dear Neighbor:

Welcome to the city of Las Vegas Parks, Recreation and Neighborhood Services Department, and our way of bringing fun activities and programs to you and your family Living Beyond the Neon. We build community to make life better by providing the best possible programs and services for ALL ages and abilities.

Planning your next birthday party or family reunion just got easier and more convenient as **picnic shelter reservations are NOW AVAILABLE online**. Rentals start at \$15 and vary in price depending on size of the party. Information on each park is available at recreation.lasvegasnevada.gov, including pictures and a list of amenities. You can also find a link on the city of Las Vegas website home page at www.lasvegasnevada.gov.

I am excited to share with you that in June 2014, we will have a beautiful, new state-of-the-art **Garside Pool**, adjacent to Garside Junior High School in Ward 1. Councilwoman Lois Tarkanian worked tirelessly for many years to get this facility upgraded. The new aquatic facility features a zero-depth play area with play structures and a slide; a heated, four-lane lap pool with a one-meter diving board; two 19-foot-high water slides; locker rooms and showers; landscaping; an entry plaza with a splash pad water feature; and a shark bike rack. The eroded fossil-themed facility will include an "ichthyosaur" fossil mosaic made from recycled glass in the pool floor.

Another exciting project that will bring a much needed resource back to the downtown area is the **Stupak Park**, located across the street from the Stupak Community Center in Ward 3. Councilman Bob Coffin has been advocating the park replacement, which is on schedule to be completed in February 2014. The park includes a swing set, splash pad, two playground structures (tots 2-5 years old and youth 5-12 years old), drinking fountain, shade structures with seating areas and a small, synthetic-turf soccer field with goals, netting and lights.

Without the collaborative efforts between the departments of Public Works, Operations and Maintenance, and Parks, Recreation and Neighborhood Services, we could not bring to life the state-of-the-art facilities we all enjoy today.

A key feature in this publication is information about our upcoming **summer camps**. Summer camps are in such high demand throughout the valley that it's never too early to start thinking about when school is out. If you're looking for something to keep your kids engaged, then consider enrolling them in one of our summer camp programs. Kids Camp (ages 6-11) and Teen Camp (ages 12-15) will be offered at several of our community centers beginning June 9, 2013. They'll stay busy with sports, special events, arts and crafts, nutrition, physical fitness, field trips and much more. Check out the back cover of this brochure or contact the center of your choice for complete details.

We continue to rely on your feedback and value your input. For suggestions on how we can improve or for programs you would like to see offered, please contact us by phone at (702) 229-2330 or e-mail neighborhoodsonline@lasvegasnevada.gov anytime. We look forward to hearing from you!

Sincerely,

LEARN TO SWIM DESCRIPTIONS AND GUIDELINES

SWIM LESSONS Days And Fees		
M,W and T,Th	six classes	\$25
S	six classes	\$25
Private Lessons	six classes	\$100
Semi-Private Lessons	six classes	\$50

Please note: Group classes may be canceled due to lack of enrollment (minimum four) or un-scheduled pool closures. Parent and child classes are 30 minutes in length. All other levels are 45 minutes in length.

The city of Las Vegas is proud to offer the American Red Cross Swimming and Water Safety program, which combines the best in swim instruction with an even stronger emphasis on drowning prevention and water safety. This program is ideal for anyone who wants to enjoy the water safely, regardless of age or skill level. Throughout the three levels of the preschool aquatics program, preschool-age children (about 4-5) are taught basic safety and survival skills. They are also encouraged to gain greater independence and increase their comfort level in and around the water.

PARENT AND CHILD

These classes are for children ages 18 months-3 years old and must be accompanied by a parent or guardian in the water, at every class meeting. These classes are for children with little or no experience in the water. Parents and children learn together to increase their child’s comfort level in the water and build a foundation of basic skills. All children must wear a swim diaper.

PRESCHOOL LEVEL 1

This class is intended for children 4-5 years who have had little or no experience in the water. Water safety and water exploration are the main objectives. No parent or guardian is required to be in the water.

PRESCHOOL LEVEL 2

This class is intended for children 4-5 years who have had some experience in the water. In addition to learning about water safety and water exploration, students build on skills taught in preschool level 1. Students learn greater independence and more ways to complete certain skills. No parent or guardian is required to be in the water.

PRESCHOOL LEVEL 3

This class is intended for children 4-5 years who have had experience in the water. Students build on skills taught in preschool level 2. Students learn how to jump in, front, back and jellyfish floats, and emphasis on swimming on the front and back for greater distances. No parent or guardian is required to be in the water.

Designed to help participants achieve maximum success, Learn-to-Swim courses are based on a logical, six-level progression that helps swimmers of all ages and varying abilities develop their water safety, survival and swim skills.

LEVEL 1 – INTRODUCTION TO WATER SKILLS

This class is intended for children 6-11 who have little or no water experience. Water exploration and water safety are the main objectives. Students will begin to develop some primary skills and learn how to achieve a comfort level in the water.

LEVEL 2 – FUNDAMENTAL AQUATIC SKILLS

This class is intended for children 6-11 years who have completed or show competency in Level 1 skills. Students will voluntarily submerge and will begin to acquire forward locomotion skills on both front and back.

LEVEL 3 – STROKE DEVELOPMENT

This class is intended for children 6-11 years who have completed or show competency in Level 2 skills. This is also the level to sign up for if a student passes preschool aquatics level 3. Students must float and swim on the front and the back without support. Students must be able to enter and exit deep water with ease, tread water and retrieve submerged objects in shallow water.

LEVEL 4 – STROKE IMPROVEMENT

This class is intended for children 6-11 years who have completed or show competency in Level 3 skills. Students will work to improve all skills with emphasis on form and stroke efficiency. Students must be able to perform dolphin kick, scissor kick, elementary backstroke and front crawl with rotary breathing.

LEVEL 5 – STROKE REFINEMENT

This class is intended for children 6-11 years who have completed or show competency in Level 4 skills. Class activities will stress endurance with stroke work in the front crawl, back crawl, butterfly, breaststroke, elementary backstroke and sidestroke. Students must be able to perform surface dives, tread water using two different kicks, swim breaststroke, sidestroke and butterfly.

LEVEL 6 – SWIMMING AND SKILL PROFICIENCY

This class is intended for children 6-11 years who seek mastery of primary swimming skills. There are three special options offered. Activities include refining front and back flip turns, shallow angle dives, how to set up a swim workout and further refinement of all primary strokes, with emphasis on swimming greater distances.

- **Fitness Swimmer – Achieve a higher level of fitness.**
- **Personal Water Safety – For those seeking a solid understanding of being safe in a water environment.**
- **Fundamentals of Diving – Learn how to safely dive from poolside and the diving board.**

aquatics – learn to swim

The Key To Unlocking Your Child's Potential

2013-2014 School Year

REGISTER TODAY!

Safekey is a pre-paid before and after school care recreational enrichment program designed for children, ages 5-11, attending Kindergarten through fifth grades at their Safekey elementary school site. Participants enjoy a nutritional snack and activities including a homework period, physical activities, arts, crafts and educational topics such as nutrition, personal safety and positive choices, all with an emphasis on promoting healthy lifestyle behaviors.

Our mission is to meet our participants and parents wants and needs by providing high quality experiences that enhance their quality of life. We are continuously looking for ways to improve our program and provide superior customer service and this year is no different. With the recent addition of the Three Square Kids Café, a program of Feeding America, we are able to provide full nutritional after school meals at all eligible Safekey sites. Additionally, we are helping in the fight against childhood obesity by teaching kids how to make healthy choices in their lives by integrating nutrition education materials and a physical activity component into our program through our CATCH Kids Club. This coupled with a safe, supervised, fun, socially-interactive environment makes for the most well-rounded before- and after-school program available.

YMCA OF SOUTHERN NEVADA

***We build strong kids, strong families,
strong communities.***

SETTING THE PACE FOR FAMILY FITNESS

The YMCA of Southern Nevada has been setting the pace for family fitness and recreation in the Las Vegas Valley since 1944 through diverse programs that cater to individuals of every age and fitness level. Each year, nearly 50,000 Southern Nevadans benefit from the YMCA's aquatic, fitness, youth and family, active older adult and sports programs.

CITY PARTNERSHIP BOOSTS IMPACT

A local nonprofit organization, the YMCA partners with the city of Las Vegas to provide fitness and recreational opportunities in underserved pockets of the valley. In 2000, the YMCA entered into an agreement with the city to operate the city of Las Vegas Durango Hills Community Center. The collaboration allowed the YMCA to double its community impact.

In early 2007, the YMCA was selected to operate the city of Las Vegas Centennial Hills Community Center in the northwest valley. Located on 18 acres in Centennial Hills Park, the 98,000-square-foot community center is the city's largest leisure center. The YMCA operates these branches in addition to the YMCA-owned Bill and Lillie Heinrich YMCA, located at 4141 Meadows Lane across from the Meadows Mall.

TRADITIONAL AND INNOVATIVE PROGRAMS

The YMCA offers countless programs for individuals of every age and ability. Summer is a great time to sign up for swim lessons, youth sports and the Y's popular before and after-school programs. Visit www.lasvegasyymca.org for a full program guide.

SWIM LESSONS

In 2006, YMCAs across the country celebrated a milestone: the 100th anniversary of group swimming instruction at the YMCA. Olympic medalists Mark Spitz, Greg Louganis and Janet Evans learned how to swim at the Y. Classes include water babies, preschool and youth swim lessons, teen and adult lessons, private lessons and specialty classes. Youth ages 6-17 can even participate in YMCA Tigersharks Swim Team!

YOUTH SPORTS

Young athletes can enjoy positive sporting experiences. From basketball clinics and competitive leagues to Taekwondo, cheerleading, volleyball, gymnastics and wrestling, there's something for everyone at the Y. Even itty bitty athletes (3-5 years) have the chance to learn fundamentals and sportsmanship through programs "just their size."

TRACK BREAK CAMP

When school's out, the YMCA is in! Track break campers enjoy exciting weekly themes and affordable field trips. Camp includes swimming, arts and crafts, group games, computer learning and more.

BEFORE-AND AFTER-SCHOOL PROGRAMS

The YMCA offers before- and after-school programs for youth in kindergarten-grade 8. Transportation is provided to and from several schools. Youth receive homework assistance, foster lasting friendships, enjoy recreational activities and refuel on after-school snacks!
